✓ Update on Ms. Hammond: She has been on medical leave for 2 weeks with the hopes of returning to school this coming Friday Sept 21st. Her position has been covered by certified subs in her absence.

✓ Enrollment: As of September 17th- 354 students, this number is up 3 from last year at this time. Including a few students who do not speak english. Projected was 362.

✓ Music and Art program/ Musical

Jill Janzen will be running the music program. She has been in and she has met with those students who are interested in participating. She is planning to do a musical production this year. The plan is to do Beauty and the Beast. She has taken the steps to get the rights to use the musical.

Mary Bartsch will be running the art program. She will be in soon to see which students are interested in participating. We also plan on having Mary work on set design with the students so that they can create the sets for the musical.

Some of the possible arts related opportunities for our students this year include but are not limited to:

- Participation in Remembrance Day Ceremony
- A Christmas performance
- An art evening, student's art will be displayed and our music students will perform at the event
- Coffee house performances
- Drama club

✓ Hot lunch program/ paid coordinator:

There was a meeting on September 17th with those interested in volunteering for the hot lunch program. There was a strong turnout showing great support for the hot lunch program. The program will run on Wednesdays throughout the school year.

An idea was brought forth that perhaps we should look into paying a hot lunch program coordinator because a lot of hours go into setting up the program and ensuring that there are leaders and volunteers available each Wednesday. The ordering and other administrative items require a great deal of commitment and work.

✓ Volleyball shorts have been ordered. Sr girls have done fittings for sizes.

A decision will be made on the Jr. High volleyball shorts once the Sr. girls shorts are in and those shorts have been approved.
