- Virtual Presentation - Val Crosby (The Village)

Village Information: contact email: 780:926:4668 email: info@thevillagefrn.ca

Here at The Village, we have the Mackenzie Family Resource Network Hub, which deals with information and referral requests, and 2 spokes.

Parent Education is one spoke that has 2 Caregiver Capacity builders who are able to help parents with children 0-18 with parenting questions and needs.

Home Visitation is our second spoke that offers a program to families with children 0-6 (0-3 for intake) based on child development and can continue to work with those families until the child is 6 years old.

Our network's third spoke is the Family Resilience Program at WJS, which is a more intensive program for families with children 7-18 years old. The MFRN can service families in High Level, LaCrete, Rainbow Lake and Fort Vermilion.

1. Call to order (presentation started at 6:35 pm)
2. Approval of Agenda (Susan P).

School Report

Enrollment Count

- 342 students doing in school learning
- 23 doing on-line learning
- We have 80 students that are not enrolled at LCPS
- 20 students have moved away from La Crete
- 37 are enrolled at the Learning Store
- 9 students have quit school to work
- 11 students are enrolled through a Christian Academy
- 3 students are away playing hockey (currently)
- ❖ We do expect several students to return for quad 2 that were not here in quad 1.

Diplomas

The government has made diploma exams optional. We were to offer ELA 30-1 & 2, Social 30-1 & 2 and Biology 30. All but 2 of our students have opted out of writing.

Dave and I contacted the post secondary institutions that our students are considering attending to ensure that they did not require diplomas to be written.

Quads

We have been receiving lots of feedback on the quad. Most favorable with a few concerns,

Extra-Curricular

A letter has been drafted and sent to Central Office regarding extra-curricular activities outlining how we would maintain the safety of our students while still offering some after school activity. We have not heard back from Central Office as of yet.

Graduation

Students have been given a virtual presentation on purchasing graduation rings. We are not allowed to have grad photos done in the building. We have arranged for Life Touch to come up to do the photos on the regular dates and we have rented the barn for the photos to be done.

Parent-Teacher

We have done one round of parent-teacher conferences (grades 8-12) over the phone. Grade 7s will do their calls after report cards go home in November. We will continue with parent-teacher in this format until we are given permission to do face to face.

Remembrance Day

We will be holding a virtual Remembrance Day ceremony on November 10th.

Connectivity

❖ Lancer Themed Contest

We are holding a Lancer themed carving contest to promote school spirit and connectivity. Students will vote on their favorite display (they can't vote on their own).

★ Lancer Clothing

The deadline for purchasing Lancer clothing is October 25th.

★ Citizenship Awards/Academic Awards

We handed these out and did a live stream so all of the students could watch. We will do our academic awards in the next couple of weeks. We will do these a grade or two at a time.

★ Gold Card Draws

We will do monthly gold card draws on a live stream.

★ Oh Canada

We have had some students sing Oh Canada on the PA. They have done a great job.

★ LCPS Postcards

Staff are encouraged to send postcards to students and staff when they notice a positive student or staff act. Or when students / staff need positive recognition.
